

Shannon Nanne, RDH

Become a Hero of Dentistry and Solve the Dry Mouth Mystery with Products That Work!

Upon completion of the course the participant will:

List the oral and non-oral symptoms reported by patients suffering from Xerostomia.

Discuss the causes of Xerostomia and understand the components and functions of saliva.

Explain the clinical signs of salivary gland hypo-function.

Discuss management options for educating patients and improving their quality of life.

Identify successful treatment options and products available that work.
